Theme : "What is your good idea to get free from discrimination and prejudice?"

Are there any good ideas for becoming free from discrimination and prejudice at school, in the community, and around the world? We will share concrete ideas with each other and discuss them.

- Consider the discrimination and prejudice you have seen or experienced at school or in your community, as well as those you have seen in newspapers, on TV, or online, and think individually about ideas for how to free yourself from such feelings.
- Write down your ideas here. You can write as many as you like.
- You can also introduce great ideas that you learned about through the internet or newspapers or TV program.
- Write as clearly and specifically as possible.
