Theme : "2043.11.23" (Society and myself after 20 years.)

Imagine the changes in society around you after 20 years from now.

The key words for the theme are:

"Environment" "Population" "Foods" "AI" "Robots" "Gene manipulation" "Science and technology" "Conflict and War" "Disparity" "Peace" "Ethnicity" "Family" "Global warming" "Work" ...

Consider these key words, and imagine future society around you and yourself.

Write down more than one idea (image), and the reason why (evidence).

It doesn't matter if the image becomes optimistic or pessimistic. That image will be the base of discussion.
